# Small Business Bronze Award Criteria Handbook (workplaces with 2-49 employees)

#### Small Business Bronze Award Criteria User Handbook – 2-49 employees

This document will walk you through each criteria in the Wellbeing at Work Small Business Bronze Award for organisations with 2-49 employees. It will cover the criteria, ideas to implement it in your workplace, resources to support you and examples of the evidence for you to provide, once the criteria has been completed. To achieve Bronze Award, you have to implement 10 criteria, being 5 mandatory and 5 chosen from a list of 22 criteria. Criteria which are mandatory are highlighted in orange, and any optional criteria are highlighted in blue.

Please note that criteria SB.AS.3 is double-weighted. If you choose this, you will only need to implement 9 criteria in total.

### **Guidance on using this document:**

- Each of the programme criteria are listed beneath their topic areas in the table below, you can find the criteria by clicking on the expandable arrow next to the topic title. Criteria can be identified using the unique 'criteria number'.
- To inspire your workplace activities and improvements, we have listed some ideas to implement the criteria within your organisation, alongside links to external resources to provide further guidance or to signpost your employees to. This can be found in 'ideas and resources'.
- When building your evidence portfolio, you can provide us with any type of evidence, as long as it clearly displays what your organisation has done to meet the criteria. However, to provide some guidance we have listed some suggestions of what you could provide in 'evidence examples'.
- Our website only takes **one file** (Word, PDF, JPEG or PNG) against each criteria. If you'd like to submit two pieces of information as evidence, e.g. copy of an wellbeing event invitation and a picture of the event on the day, please save both in the same file before uploading, e.g. copying and pasting both in a word document.

If you have any questions or queries, you can get in touch with the team at <a href="mailto:HealthyWorkplace@eastsussex.gov.uk">HealthyWorkplace@eastsussex.gov.uk</a>
